

## PKA assessment of the quality of education provided by Gdańsk Tech

No	Faculty	Type of assessment	Mode of study	Level of studies	Resolution No.	Resolution date	Assessment	Next assessment term
1.	Electrical and Control Engineering	program	Automation, Robotics and Control Systems	1st and 2nd cycle	242/2024	11.04.2024	positive	2029/2030
2.	Mechanical Engineering and Ship Technology	program	Mechanical Engineering	1st and 2nd cycle	87/2024	22.02.2024	positive	2029/2030
3.	Mechanical Engineering and Ship Technology, Electrical and Control Engineering, Civil Engineering and Environment	program	Energetics	1st and 2nd cycle	923/2023	19.10.2023	positive	2029/2030
4.	Mechanical Engineering and Ship Technology, Applied Physics and Mathematics, Chemistry	program	Materials Engineering	1st and 2nd cycle	550/2023	13.07.2023	positive	2028/2029
5.	Mechanical Engineering and Ship Technology	program	Management and Production Engineering	1st cycle	408/2023	15.06.2023	positive	2028/2029
6.	Civil Engineering and Environment	program	Geodesy and Cartography	1st and 2nd cycle	295/2023	25.05.2023	positive	2028/2029
7.	Electronics, Telecommunications and Informatics /	program	Data Engineering	1st and 2nd cycle	215/2023	06.04.2023	positive	2028/2029

	Management and Economics							
8.	Civil Engineering and Environment	program	Environmental Engineering	1st and 2nd cycle	169/2023	23.03.2023	positive	2028/2029
9.	Mechanical Engineering and Ship Technology	program	Ocean Engineering	1st and 2nd cycle	678/2022	21.07.2022	positive	2027/2028
10.	Mechanical Engineering and Ship Technology	program	Mechatronics	1st and 2nd cycle	445/2022	23.06.2022	positive	2027/2028
11.	Mechanical Engineering and Ship Technology	program	Mechanical-medical engineering	1st and 2nd cycle	319/2022	05.05.2022	positive	2027/2028
12.	Civil Engineering and Environment	program	Civil Engineering	1st and 2nd cycle	948/2021	16.09.2021	positive	2026/2027
13.	Chemistry	program	Chemistry	1st and 2nd cycle	221/2021	25.03.2021	positive	2026/2027
14.	Chemistry	program	Biotechnology	1st and 2nd cycle	795/2020	5.11.2020	positive	2026/2027
15.	Chemistry	program	Chemical Technology	1st and 2nd cycle	252/2020	21.05.2020	positive	2025/2026
16.	Applied Physics and Mathematics	program	Nanotechnology	1st and 2nd cycle	937/2019	12.12.2019	positive	2025/2026

17.	Electronics, Telecommunications and Informatics	program	Informatics	1st and 2nd cycle.	912/2019	12.12.2019	positive	2025/2026
18.	Electronics, Telecommunications and Informatics	program	Control Engineering and Robotics	1st and 2nd cycle	904/2019	12.12.2019	positive	2025/2026
19.	Applied Physics and Mathematics	program	Technical Physics	1st and 2nd cycle	849/2019	14.11.2019	positive	2025/2026
20.	Electronics, Telecommunications and Informatics, Chemical, Applied Physics and Mathematics	program	Biomedical Engineering	1st and 2nd cycle	652/2019	05.09.2019	positive	2024/2025
21.	Applied Physics and Mathematics	program	Mathematics	1st and 2nd cycle	572/2019	25.07.2019	positive	2024/2025
22.	Electronics, Telecommunications and Informatics	program	Electronics and Telecommunications	1st and 2nd cycle	455/2019	11.07.2019	positive	2024/2025
23.	Management and Economics	program	Economic Analytics	1st and 2nd cycle	599/2018	11.10.2018	positive	2024/2025
24.	<b>Architecture</b>	<b>program</b>	<b>Architecture</b>	1st and 2nd cycle	<b>459/2018</b>	<b>06.09.2018</b>	<b>outstanding</b>	<b>2025/2026</b>
25.	Electrical and Control Engineering	program	Electrical Engineering	1st and 2nd cycle	372/2018	09.07.2018	positive	2023/2024

26.	Ocean Engineering and Ship Technology	program	Transport	1st cycle	227/2018	10.05.2018	positive	2023/2024
27.	Mechanical	program	Mechanical Engineering	1st and 2nd cycle	34/2018	25.01.2018	positive	2023/2024
28.	Management and Economics	program	Engineering management	1st cycle	610/2017	23.11.2017	positive	2023/2024
29.	<b>Management and Economics</b>	<b>program</b>	<b>Management</b>	1st and 2nd cycle	<b>252/2016</b>	<b>02.06.2016</b>	<b>outstanding</b>	<b>2023/2024</b>
